

**What's hot  
and what's not  
in the medico-legal  
world?**

**2<sup>nd</sup> HDC  
Medico-Legal Conference**

**Wednesday 4 March 2009  
Wellington**

You are invited to a conference to hear from some leading medico-legal experts on the latest developments in health law.

Speakers will include Melbourne University Professor **David Studdert**, Chapman Tripp Partner **Adam Ross**, and Health and Disability Commissioner **Ron Paterson**.

Join your colleagues, and network with new ones, at this conference that will cover important topics for medico-legal practitioners, chief medical officers and risk managers in the health sector.

Mark your diaries now and we will contact you with further details in early December!

Health and Disability Commissioner
